BOY SCOUTS OF AMERICA

April 13, 1979

Mr. Paul Ernst
Registration and Subscription Service
Boy Scouts of America
North Brunswick, New Jersey 08902

Dear Paul:

The attached complaints were provided at our request after a verbal complaint by parents regarding the possible behavior of one Gene Judson Sowder. This situation was handled by me in the following manner:

1. March 30, 1979. Mrs. [REDACTED] came to our Service Center and demanded something be done to protect her son. Our Exploring Executive tried to calm her, and asked her to give us until Monday to check it out.
2. April 2, 1979. Field Director called parents and asked for written parental complaint.
3. April 3, 1979. The attached complaints were brought to the Service Center.
4. April 3, 1979. Scout Executive shared problem with Scouting Coordinator of Post #2360, sponsored by Burlington Industries.
5. April 4, 1979. Scout Executive and Field Director met with Personnel Manager and Post Committee Chairman at Burlington Industries to strategize methods to handle the situation. Burlington Industries felt that they could do little or nothing because of current state of the law protecting an employee in non-job performance related areas. Two alternatives seemed apparent, a) legal action on the part of the parents, or b) direct contact with the leader by Scout Officials.
6. April 4, 1979. Scout Executive and Field Director met with Mr. Sowder and informed him of the complaints. Outcome:
 - A. Mr. Sowder is not registered now.
 - B. He has agreed not to attempt to register.
 - C. He is a former Professional Scouter at Richmond, Va.
 - D. He has agreed to withdraw from all activity in the Explorer Program.

E. He agreed to go to the Post Committee Chairman
and so state his withdrawal.

7. April 4, 1979. Spoke with Post Committee Chairman. Mr.
Sowder has withdrawn.

8. April 5, 1979. Field Director called parents involved, and
explained the above. They have agreed to abide by the
agreement as is, without further action on their part.

Paul, I know you try to keep track of these kind of things, so I
am forwarding the written complaints to you for your determination,
as to how best to handle.

Most sincerely,

James L. Roberts,
Scout Executive

To Whom It May Concern

We wish to lodge a formal complaint against one Gene Judson Sowder, 4842=D Tower Road, Greensboro, North Carolina. At present he is a Cobol and Computer Programming Instructor for the Explorers Club, Burlington Industries Division, West Friendly Street.

We hereby submit the following list of incidents that have come to our attention following conversations with our sons.

1. Said instructor offered a massage to [REDACTED] and became angry when the offer was refused.
2. Said instructor tried to kiss [REDACTED] one evening and made a grab at his private parts.
3. Said instructor tried to get [REDACTED] and [REDACTED] to his apartment by stating he had a computer and other instructional material there that he would let them use.
4. An offer was made to show [REDACTED] and [REDACTED] his X-rated collection at his apartment.
5. Instructor stated "he could go either way, but his personal preference was male".
6. Offers were made to pick [REDACTED] and/or [REDACTED] up at the Four Seasons Mall or any other place they cared to name in order to provide transportation to said instructors apartment.
7. [REDACTED] constantly reminded that he didn't "call" said instructor.
8. Advances were also made to one [REDACTED] but we have no knowledge of what they were as we are not personally acquainted with the boy, and our sons tell us that he has not confided in his parents.
9. Said instructor informed boys if they were ever caught doing anything wrong, i.e., stealing, etc, they should simply deny it.

CONF009960

As deeply concerned parents we urge that this man be removed from his position as instructor immediately, and never be allowed to have any type contact with minor children in the future. It is my understanding that he was to start another training program in the near future. I do not know if it was to be at Burlington Industries or not. If it is, I sincerely hope you will refrain from allowing this man in a position where he can harass other children.
